

**Range: Bowral Highlands**

**Colour: Bangadilly**

**SKU: 281070019230000136150**

### Technical Data

|                                                            |                |                            |                 |
|------------------------------------------------------------|----------------|----------------------------|-----------------|
| Length (mm)                                                | 230            | Liability to Efflorescence | Slight          |
| Width (mm)                                                 | 110            | Lime Pitting Liability     | Slight          |
| Height (mm)                                                | 76             | Solar Absorption           | 0.558           |
| Dimensional Category                                       | DW1            | LRV                        | 11.9            |
| Core Volume (%)                                            | Solid          | FRL                        | 180/180/90      |
| Units per Square Metre                                     | 48.5           | Basix                      | Medium          |
| Pack Size                                                  | 384            | Place of Manufacture       | New South Wales |
| Characteristic Unconfined Compressive Strength (f 'uc) MPa | >8             | Product Warranty           | 100 Years       |
| Maximum Cold Water Absorption (%)                          | <15            | Solar Absorption           | 0.558           |
| Initial Rate of Absorption (IRA) (kg/m2 min)               | 1 to 8         | Meter squared              | 48.5            |
| Coefficient of Expansion e'Factor (mm/m)                   | <1.2           | Weight                     |                 |
| Durability Class                                           | Exposure Grade |                            |                 |
