

Range: London

Colour: Brahman Granite

SKU: 280120060480000137100

### Technical Data

|                                                            |        |
|------------------------------------------------------------|--------|
| Length (mm)                                                | 230    |
| Width (mm)                                                 | 114    |
| Height (mm)                                                | 65     |
| Dimensional Category                                       | DPA2   |
| Average Weight / Unit (kg)                                 | 3.8    |
| Core Volume (%)                                            | Solid  |
| Units per Square Metre                                     | 38     |
| Pack Size                                                  | 500    |
| Characteristic Unconfined Compressive Strength (f 'uc) MPa | NA     |
| Maximum Cold Water Absorption (%)                          | 10     |
| Initial Rate of Absorption (IRA) (kg/m2 min)               | 1 to 8 |

|                                          |                |
|------------------------------------------|----------------|
| Coefficient of Expansion e'Factor (mm/m) | 1.2            |
| Durability Class                         | Exposure Grade |
| Liability to Efflorescence               | Slight         |
| Lime Pitting Liability                   | Slight         |
| Abrasion Resistance                      | 7              |
| Solar Absorption                         | 0.7915         |
| LRV                                      | 10             |
| Basix                                    | Dark           |
| Breaking Load                            | >10            |
| Slip Resistance                          | P5             |
| Solar Absorption                         |                |
